OPA/OCIR/OPEEE Check-in with PADs and CDs -- Microsoft Teams Meeting

Hi .. for our call on Tuesday, September 7th, Brigid Lowery from OSRTI/OLEM – will join us to give you all a heads up on an upcoming lead (Pb) superfund pilot initiative. Thanks ng

Adding background here: As background, we want to standardize collaboration at superfund residential lead sites to address multiple lead sources in communities near these sites. Coordination among EPA offices, other federal agencies, state agencies, tribes and local communities occurs at a number of sites. The pilots will serve as way to understand more about the workload involved in the collaboration pilots and gather best practices and lessons learned as we work to mainstream this approach.

Topic: ECOS 2021 Fall Meeting — *Better, Faster, Smarter: States at the Cutting Edge!*

Time: Eastern Time (US and Canada)

Sep 8, 2021 11:45 AM

Sep 9, 2021 11:45 AM

Meeting ID: 842 5578 1712

Passcode: (b) (6)

If possible, please use the above Zoom link and computer audio for the best meeting participation experience. If you need to dial in on your phone, however:

Dial by your location

+1 312 626 6799 US (Chicago)

+1 301 715 8592 US (Washington DC)

+1 646 558 8656 US (New York)

+1 346 248 7799 US (Houston)

+1 669 900 9128 US (San Jose)

+1 253 215 8782 US (Tacoma)

Find your local number: <https://us02web.zoom.us/j/84255781712?pwd=WFNqdjJGNld1THdKTU1rZnpRcjJjdz09>

4. Please be sure to log in with your first and last name in the Zoom account so that we can identify you. If you need to change your name

after logging in, click on "participants," hover over your name, and select "rename."

5. Format: You will be automatically muted when you enter the event. If you are not a speaker during a particular session, please do not use your camera unless the moderator gives different instructions. We will enable video for speakers but ask that you help us limit the number of people for whom we have to adjust settings by keeping your audio and video settings off. When it comes time for open dialogue and Q&A, we will remind you to use the "raise hand" feature and will call on you in the order in which you have raised your hand. You can unmute yourself to speak. We will remind everyone of this on the days of the meetings, but we wanted to make you aware of the plans for the general flow of the meeting.

6. Agenda and Attendee List: The final agenda, meeting materials, and attendee list will be posted to the ECOS website [here](#).

Changed:

Important reminder for those planning to attend the September 8 O&GC session: **You will need to register for the Fall Meeting by September 7 at 4:30 p.m. Eastern to receive the Zoom link to participate.** If you are not yet registered for the meeting, please access the registration link at <https://www.ecos.org/event/2021-ecos-fall-meeting/> and register for the full meeting at the designated rate OR only the O&GC session via the Prearranged Complimentary option. ECOS will then email you Zoom login information. If you have questions, please reach out to Lia Parisien at lparisien@ecos.org.

Breakout #1: ECOS Oil & Gas Caucus(O&GC) on Methane Moves (open to all)

As U.S. EPA takes first steps toward developing a rule to reduce methane from new and existing sources in the oil and natural gas industry, many states are already implementing their own regulatory and innovative approaches. Industry players are taking voluntary actions, and one NGO has launched work on an ambitious public satellite tool to locate and measure sources of methane pollution. This session will address the state of play and flexibilities needed to create a clearer regulatory landscape.

ECOS O&GCCo-Chair Jim Kenney, Cabinet Secretary, New Mexico Environment Department (co-moderator)

ECOS O&GCCo-Chair Dave Glatt, Director, North Dakota Department of Environmental Quality (co-moderator)

Tomás Carbonell, Deputy Assistant Administrator for Stationary Sources, U.S. EPA Office of Air & Radiation

Steven Hamburg, Chief Scientist, Environmental Defense Fund

Kim Mendoza-Cooke, Director of Regulatory Policy, Occidental

Hurricane Ida Response Update -- Microsoft Teams Meeting

Scroll down for the meeting link and call in information.

Subject: Hurricane Ida Response Update

When: Tuesday, September 7, 2021 10:00 AM-10:30 AM (UTC-06:00)
Central Time (US & Canada).

Where: Microsoft Teams Meeting

EPA, Region 6 would like to hold calls with you to update you on activities that the Agency is conducting regarding Hurricane Ida. We would also like to hear from you to discuss and listen to your concerns on the EJ related environmental issues associated with the current emergency situation. We would like to convene frequent calls to keep you abreast of the EPA's activities. I hope that you can join me on this call tomorrow.

Purpose: Update stakeholders on activities that R6 is conducting regarding Hurricane Ida and hear your concerns on the EJ related environmental issues associated with Hurricane Ida.

Agenda

- I. Introductions
- II. Update on EPA Activities
- III. Concerns/Feedback
- IV. Next Meeting

On August 29, President Biden approved a Major Disaster Declaration for the State of Louisiana, authorizing Individual and Public Assistance for impacted parishes and hazard mitigation statewide. Individual and Public Assistance Category A, Debris Removal, have been approved for the following parishes: Ascension, Assumption, East Baton Rouge, East Feliciana, Iberia, Iberville, Jefferson, Lafourche, Livingston, Orleans, Plaquemines, Pointe Coupee, St. Bernard, St. Charles, St. Helena, St. James, St. John the Baptist, St. Martin, St. Mary, St. Tammany, Tangipahoa, Terrebonne, Washington, West Baton Rouge, and West Feliciana Parishes.

All 64 Louisiana parishes have been approved for Public Assistance Category B (emergency protective measures), including direct federal assistance, at 75 percent federal funding. In addition, for a period of 30 days from the start of the incident period FEMA is authorized to provide federal funding for Category A and Category B at 100 percent of eligible costs.

Meeting with DCROs and Other Colleagues To Discuss Proposed Revised Form 4700-4 Pre-Award Review Process - -- Microsoft Teams Meeting

Hello Everyone,

Below, please find below an Agenda for today's meeting and attached draft/proposed revised Form 4700-4 Review Process for today's discussion. Thanks! Lilian

- I. Welcome (2-3 minutes - Marianne)
- II. Brief Intro/background on our Work to Strengthen the Pre-Award Review Process (5 minutes - Lilian)
 - A. Goals of Today's Meeting
 - a. Outlining Plans for Pre-Award Review
 - b. Hearing Your Thoughts, Feedback
 - B. Update on Our Response to OIG (Time Frames for our submission and their acceptance/posting of our response)
- III. Why Your Feedback is Needed (For discussion today. Additional comments on big-ticket items, opportunities and challenges, due to ECRCO by 9/20)

IV. Proposed Steps for Strengthening/Revising Process (See Attached) (20-25 minute walk-through – Kurt)

- A. Dear Colleague Letter to Clarify Expectations and Policy Guidance to Clarify Nondiscrimination Program Responsibilities
- B. Form 4700-4 Review Process Updates
- C. Post-Award Audits

V. Questions & Discussion (25-30 minutes, facilitated)

Apologies Everyone,

I am rescheduling as several will be out on 9/7 in observance of Rosh Hashanah. Lilian

Dear HQ and Regional Deputy Civil Rights Officials, and Other Colleagues,

Thanks for your participation and excellent comments and questions during our August 10th meeting to discuss the strengthening of EPA's external civil rights program. As we shared on the 10th, ECRCO is working on revising the process for reviewing Form 4700-4 (pre-award reviews) to ensure compliance with baseline foundational procedural requirements by all applicants for and recipients of federal funds. The goal is to bring all applicants and recipients into compliance with Form 4700-4 requirements, address noncompliance through voluntary means whenever possible and take appropriate action when voluntary means is not possible.

During this meeting, we would like to discuss with you our proposed revised process and get your thoughts and recommendations. Materials to inform this discussion will be forthcoming in advance of the meeting.

Please let me know if you have any questions and thanks again for your continued assistance and support!

Lilian

Pre-Meeting Material Review - Hispanic Heritage Month - Abriendo Puertas

[REDACTED]

Run of Show: Mitty Mohon, HEP SEPM, will introduce you, and you will give a welcome. Mitty asks that you end your remarks by saying, **“So now on to your scheduled program.”** This is a cue that the videotaped program will begin.

After you speak, the HEP program will show a video production called “Abriendo Puertas (Opening Doors) Community Show.” The video is styled as a talk show/morning show and includes interviews with 3 community stakeholders, as well as a recording of a professional Latin Dancer.

- Bryan Parras - Organizer, Sierra Club (previously: co-founder of t.e.j.a.s. and The Librotraficantes)
- Dan Solis (*so-leece*) – President and CEO of Nomar, Inc
- Lucia Carmona (*car-mona*)– Director of Operations & Community Engagement, Raíces del Saber Xinachtli Community School in Las Cruces, NM
- Christen Ancona (*ahn-kona*) – Professional Latin Dancer

The 3 community stakeholders (Bryan Parras, Dan Solis, Lucia Carmona) will be joining the event on Wednesday to answer questions from attendees after the video.

September 16, 2021 Continued

Thursday

9:30 AM - 10:00 AM

Pre-Meeting Materials Review- OITA Meeting with Sr. Leadership

Materials Added.

Dear Colleagues,

I wanted to follow up on my August 10th email to let you know that EPA's annual National Tribal Operations Committee (NTOC) meeting, which was originally scheduled for September 16. will now be held on **Thursday, September 30, 2021 from 11:00 am to 5:00 pm EDT**. Administrator Regan and Deputy Administrator McCabe look forward to leading a discussion with the National Tribal Caucus (NTC) and EPA Senior Leadership about our mutual goals and challenges to protect public health and environment in Indian Country.

Relatedly, on **September 16 from 11:00 am - 12:00 pm EDT**, OITA will be hosting a Senior Leadership briefing to discuss EPA's responsibilities for Direct Implementation in Indian Country. The cross-media Direct Implementation Workgroup will provide an update on their work, which is to assess EPA's direct implementation activities to fulfill our environmental protection responsibilities in Indian country. This briefing will include an update on the findings of two analytic reports and new language in the upcoming Strategic Plan to strengthen EPA's direct implementation work in Indian country. The Strategic Plan will impact the development of National Program Guidance this fall.

OITA's American Indian Environmental Office (AIEO) will distribute an agenda, meeting details, and materials prior to both meetings and will work with the Tribal Coordinators in your office on any specific requests for your office. If you have any questions, please feel free to contact JoAnn Chase, Director, AIEO, or Felicia Wright, Deputy Director, AIEO.

Black Bear Creek Briefing -- Microsoft Teams Meeting

2021.09.07 Ex. 2 - Pawnee: Ex. 3 - Final 09/25
Pawnee: Nation ... Nation: Nalindig... PNL p...ndia...

This briefing will focus on information provided by Pawnee Nation with regard to Black Bear Creek. Paragraph on Black Bear Creek from 9/7 letter:

Under Oklahoma's administration of the UIC program, there has been ongoing chloride contamination of Black Bear Creek in northern Oklahoma. Black Bear Creek drains in Pawnee County, and it provides numerous beneficial uses to the Pawnee Nation, such as groundwater recharge, public and private water supplies, fish and wildlife propagation, agriculture, recreation and cultural uses, and more. In December 2010, the Pawnee

Nation identified high chloride levels within the Black Bear Creek, and initiated an investigation upstream to identify the source(s) of the chloride. The investigation pointed to an oil field and UIC site in Garfield County, located approximately 45 miles west of the Pawnee Nation boundary. The Pawnee Nation determined that, at this location, the subsurface flow was leaching into Black Bear Creek. Through a search of Oklahoma records, the Pawnee Nation was able to identify a cluster of approximately 11 abandoned or otherwise improperly closed wells within the area of origin. The records showed that at least some of these wells were not closed by acceptable standards. While the Pawnee Nation alerted Oklahoma of this issue, the contamination is still ongoing with no known action from Oklahoma to address it.

Monthly Water Division Director's and MPR meeting-OW & Regions -- Microsoft Teams Meeting

Final Agenda
9/23/2021 10:00 AM ...
9/23/2021 10:00 AM ...
9/23/2021 10:00 AM ...

Hello Water Colleagues,

This recurring invitation is to continue the subject meetings into 2021. The regular monthly Water Division Director's meeting will occur the first hour of the meeting and the monthly/quarterly program reviews (MPR), reporting on the regional metrics, will occur the last 30 minutes of each meeting.

September 23, 2021 Continued

Thursday

Please note: The regional metrics process guidance instructs that beginning in January 2021, the OW AA/DAA and the Lead Region for OW RA/DRA are invited to the 1st monthly meeting of each quarter to review the Regional Division Measures results from the previous quarter.

Please accept and/or forward this invitation accordingly. If you have any questions please contact me.

I look forward to coordinating and facilitating these important meetings for our water programs.

Regards,

Miriam

Subject: Request for DRAs: Communities Query from Bezos Earth Fund

(by Monday 9/27)

Greetings DRAs,

As discussed during last Thursday's DRA call, OEJ has been engaged in discussions regarding the Bezos Earth Fund (BEF). BEF is seeking information about communities with which EPA has been working. At this time, there is a time-sensitive opportunity, via CDS, for EPA to efficiently identify communities that align with the BEF's objectives, essentially those where the work reflects the Community-Driven Solutions (CDS) approach.

Background:

- The BEF's mission is to "fund scientists, activists, NGOs, and other actors that will drive climate and nature solutions."
- The goal of this grant is "creating the building blocks for Justice40... federal investments in climate and clean energy to disadvantaged communities."
- BEF has provided four organizations \$20M to advance Justice40 goals (out of a total planned amount of \$150M). Their focus is support to non-profits working to advance climate justice, advocate for climate-smart economic recovery, and spur innovation in decarbonization pathways. See <https://prn.to/3hwAls7>

Request:

Kindly work with your regional CDS Contacts to submit brief descriptions of communities in your Region (2-3 at most), in light of the "Prompting Questions" section below.

-

- **Your Regional CDS contacts** are copied on this message. These contacts are also listed, by Region, at this [link](#). **Please upload your communities into the [Communities Resource Accelerator spreadsheet](#) (at the preceding link) by COB Monday, September 27th or sooner:** we will begin to review submissions on a rolling basis, beginning 12 noon on Friday, September 24.

- **This is intended to be a light lift:** Once you identify the communities, **entering the information requested** in the spreadsheet **should take only 10-15 mins.**
 - We have provided an example to illustrate what we are seeking.
 - This request is not intended to require an extensive consultation within the Region. The intention is to capture those communities that come readily to mind, from Regional experience, in response to the “Prompting Questions” below.
 - EPA is providing factual information about communities with which we have been engaging and not providing a recommendation. For that reason, we do not intend that you need to consult with the communities for this exercise.
- **Help is available:** We have scheduled an “office hours” call tomorrow (Friday 9/23 at 12:30 – 1:00 pm Eastern) to answer questions or provide real-time assistance to your CDS contacts as they complete your Region’s submission. DRAs are copied on this invitation so that you can forward the invitation as needed. In addition, you can call Pauline Louie (louie.pauline@epa.gov) who is available to assist.
- **Prompting Questions**, below, are provided **to assist you in identifying appropriate communities:**

Please identify 2-3 communities where, based on your Region’s engagement to date, the answer to the questions below is “Yes”:

- o Is this community coalition advancing Justice40 goals (environmental justice and climate / clean energy goals)? Yes/No
- o Would a large influx of funding be helpful to and manageable by this community or coalition, in your estimation? Yes/No
- o Is there a strong partner that can ground the work in the community? (e.g. a CBO or other legitimately trusted local actor such as an academic or local governmental institution) Yes/No
- o Is there a partner with the capacity to work with federal government agencies? Yes/No
- o Is there a partner with the capacity to handle large amounts of funding or a history of managing varied streams/types of funding? (e.g. \$5M)

Yes/No

We encourage you to consider the full range of communities including the urban, suburban, rural and tribal communities with which your Region has been working.

If you or your staff have any questions regarding your submission, please contact Pauline Louie (louie.pauline@epa.gov) who is available to assist.

Thank you in advance for your submissions in response to this exciting opportunity to further community efforts advancing the Administration's environmental justice and climate goals.

Very respectfully,

Surabhi

(On behalf of the Community-Driven Solutions team)

Baseline Water Quality Standards Rulemaking Discussion -- Microsoft Teams Meeting

Attached are two documents for this meeting

- The PDF file is an excerpt from the July 2021 presentation to the Region 6 Tribal Caucus. (I removed about 10 slides that are not needed for this briefing, e.g., registration info for past webinars and names of HQ speakers).
- External talking points, that HQ provided in June 2021, as they were announcing the baseline WQS project. (It's a two-page summary, and is still useful even though some activities noted as upcoming, have been completed).

- Please submit meeting materials at least 24 hours in advance to Sue Davis and James Turk.
- We ask that you connect online at least 5 minutes before the scheduled start of the meeting.

EPA Region 6 Speaks: Esperanza - A Celebration of Hispanic Heritage and Hope

On Wednesday, September 29th the forth event in the Region 6 Speaks Series, “Esperanza-A Celebration of Hispanic Heritage and Hope” will take place at 1:30PM CST. As we continue to celebrate Hispanic Heritage Month, we are excited to hear from our featured distinguished panelists Cecilia Tapia, Director, Lab Services and Applied Sciences Division, R7; Matthew Tejada, Director, Office of Environmental Justice, HQs; and Tomas Torres, Water Division Director, R9. The panelists will share their career journeys, heritage and how they overcame barriers that were faced along the way. This session will be moderated by Region 6’s Janie Acevedo and is hosted by the Hispanic Employment Program. See agenda and flyer attached to this invite for more information!

Biographies of the panelist are available as an attachment.
